

Justin Rabidoux | Sales Account Manager

Justin started his career with Rankin Biomedical in May 2018 after graduating with High Honors at Western Michigan University's nationally-acclaimed Sales and Business Marketing program. While at WMU he held the position of Vice President of the Sales and Business Marketing Association. In addition to his sales responsibilities at Rankin as an Account Manager, he has assisted our company in the expansion of our CRM capabilities and has been instrumental in planning, testing and implementing our ERP.
